Higgins Street Dining & Occasional

“This collection incorporates soft, feminine touches, particularly in the shaping of the cases, adding a delicate and elegant feel.

The combination of old and new design elements creates an eclectic and effortless style that allows for a worry-free dining experience. Offering a versatile range of pieces that seamlessly blend while bringing a harmonious balance of timeless beauty and modern functionality.

One of the highlights of the collection is the round dining table, which features an emulsified gesso paint base that adds a touch of sophistication. The complementary antique white top completes the look, creating an elegant and charming centerpiece for your dining area. For those seeking a more casual dining experience, a friendship table is offered as an alternative. This provides a relaxed setting while still maintaining the collection’s overall aesthetic and quality.”
